1) Subd. The Bill was introduced into the Legis. council at their meeting dated 1/6/1912 and read and referred to a select committee at their meeting of 4/4/13. The report of the Select Committee and a copy of the Bill as amended by them are herewith put up. It will be seen from the notes of the committee on clause 2 that they recommend the exemption from (all) municipal taxation of only one bicycle or one horse of the Police Force and not both as was originally provided for in the Bill. Moreover they state that this amendment is propos on the understanding that the C & M Station Municipal commissioners are prepared to accord full reciprocity in the matter. This proviso was based on the information which was contained in the enclosure to letter No S.O. 2935 dated 29/3/11 from the Residency

12) In communicating the amendment proposed to be adopted by the C & M Station Municipal Commission the letter states as follows

By these amendments, chargers o Military Officers of the Mysore State Troops and also bicycles of th Police Officers residing within th C & M Station will be exempt from taxation provided the citi Municipality grant similar exemptions with respect to chargers of Military Officers an bicycles of Police officers reside within the city Municipality' But the proposed amendment conveyed in the letter being t add the words "and city" betwe the words "Station" and "Police" in para (1) of Appendix 10, wo exempt both bicycles and anim of Police officers. (thus it is seen that there is a m in the letter referred to above.) It is therefo a question for settlement whe the Select committees' amendme in this clause might not be at the Legis Council meeting reversed restoring the word "a

On position as seen on cycles 1911/13 horses of Police officers may be exempted. But that of the C & M Nation Commission is that both may be exempted. It is a matter for consideration whether the Select committee's amendment should be reversed so as to restore "and", the C & M Nation M. Act be moved to adopt same form.

14) They did not make this clear in the letter from the Pres. hence the doubt felt by the Select committee SPM

Ref N.N

1911/13.

It appears from the wording of the letter of the Pres of C & M Stn M.C which implied that only bicycles of the City Police within the C & M Stn limits would be exempted there, the Select Committee had another difficulty. The Commissioners were not aware if the proposal made in their letter has been given effect to, by the Act finally has been passed into law. This may be ascertained from the

Requests to be informed if any resolution has been passed by the C & M Station Municipality in the matter of exempting from taxation a bicycle and a horse of the ~~Officers~~ of the city Police.

No 5411 dated 8th Sep: 1913
From the F. A. Resident.

Informs that a resolution has been passed exempting both a bicycle and a horse of the Officers of the city Police and forwards a copy of the resolution submitted.

The resolution of the C. & M. Municipality which has been confirmed by the Resident exempts one bicycle and one horse of the Officers of the ~~C & M Co~~ city Police force.

A similar ~~one~~ provision has to be made here also. Hence the word "and" in clause 2 of the Bill for which the Select Committee have recommended

the substitution of the word "or" has to be retained. A necessary amendment has to be introduced into the Legis Council on the 15th inst.

22) It is now clear from the Resy letter that the beggs law actually passed by the C+M Stn Mcy + confirmed by the Govt exempts one bicycle + and one animal of Police Officers of the State residing in the C+M Stn limits. This was passed on condition that the City Mcy grants a similar Concession.

23) The alteration made by the Select Committee substituting 'or' for 'and' may therefore be amended. A motion to this effect will be made in the Legve Council next Monday, if approved.
